AN EXCEPTIONAL VENUE IN
THE HEART OF THE ARAVIS

1300m altitude

LE REPOSOIR – HAUTE SAVOIE (FRANCE)

THE TIMELESS CHARM OF AN ALPINE FARMHOUSE AT THE HEART OF YOUR WEDDING

Welcome to the Gîte du Passant, where wedding dreams come to life and each moment turns into a treasured memory. Perched at 1,300 meters in the heart of the Aravis, our venue offers a magical setting that blends the chic authenticity of alpine traditions with a warm, inviting atmosphere.

Thoughtfully renovated, our interiors harmoniously combine mountain elegance with the comforting feel of a home away from home.

Choosing the Gîte du Passant means embracing more than just a venue – it's an invitation to experience something truly meaningful on the most beautiful day of your life, shared with those who matter most.

140 years of history under one roof

A living legacy

It all began in 1887, when the chalet came out of the ground to become the residence of the Depoisier family. At the time, it was a traditional alpine farm where men and animals lived together to keep warm during the long Savoyard winters: cows on the lower level, goats and pigs on the lowest level, surrounding the inhabitants with natural warmth.

The birth of the Gîte in 1973

Victoire and her husband fall in love with the place and transform the farm to offer lodging and food to passing travelers. It was in 2011 that Claire and Théo took over the torch. They then engaged in a colossal two-year project to rethink the 800 m² chalet. Their priority? To preserve the majestic 150-year-old framework and keep the impression that time has stood still, while providing modern comfort.

The new chapter: Pierre & Marceau

In July 2023, Claire and Théo entrusted us with the keys to this gem. Friends since the hotel school and with our experiences with a demanding international clientele, we have returned to our Savoyard roots to live our passion for hospitality and terroir.

Today, with more than **350 weddings** celebrated in 10 years, the Gîte du Passant has become an address of heart for those seeking a true marriage, surrounded by the soul of our mountains.

WE OPEN OUR DOORS TO YOU!

Two passionate hosts at the service of your story

We are above all **two friends driven by the love of our region** and a taste for beautiful things done well. After meeting at hotel school, we honed our expertise internationally with demanding private clientele. This experience taught us the importance of detail – the kind that doesn't impose itself but changes everything.

A choice from the heart

In 2022, it was love at first sight for this chalet nestled in Le Reposoir. The peaceful atmosphere, local artisans and familiar landscapes convinced us: it was here, in our native Savoie, that our project made sense.

Our commitment for your wedding:

Simplicity & Care: Offering you an elegant escape in an intimate venue, where you feel welcomed with attention but without pretence.

Soul & Gastronomy: Preserving the authentic spirit of the chalet while infusing our passion for local, inventive and generous cuisine.

Sincerity: Making your big day a true moment, shared in warm conviviality.

The Memories

OF WEDDINGS AT THE GITE DU PASSANT

THE MEMORIES

We chose the Gite du Passant to celebrate our wedding on July 18, 2023. Not living in France, the challenge was to organize everything remotely. In addition to its geographical location, this venue offered food and accommodation management, as well as a spectacular natural landscape as a ceremony backdrop.

As great mountain lovers, one visit to the Gite du Passant was enough for us to decide to celebrate our wedding there... The exceptional setting of this place charmed us immediately!

We got married in this magnificent place on June 24, 2023. It was an enchanted parenthesis, all our loved ones were delighted. The place is both sublime and unique, the staff is very professional, attentive and discreet, and the food is a delight. Although the venue is unique, the team does everything to make your planning easier. If this wedding were to be done 100 times over, we would change nothing. We had an exceptional day!
Thank you again to the entire gite team!

A completely magical and timeless place, an incredibly professional and caring team... thanks to you we were able to have the wedding of our dreams, so thank you so much! We already want to come back...
